

PG&E historical usage data download

- 1, Log into your PG&E account.
- 2, Click on Energy Usage Details in the center of the screen.
- 3, You will be taken to the Energy Usage Details page. Click on the “Green Button” on the bottom of the page and select Export All Bill Totals and choose CSV format. Please send the downloaded zip file to your solar consultant.
- 4, **At the same time, please download a copy of your most recent bill in PDF format. The View Current Bill (PDF) link is right under your bill amount after you log in.**

The screenshot shows the PG&E account dashboard. On the left, the 'Your Account' section displays the last payment of \$149.21 on 9/7, a bill due on 9/22 for \$149.21, and a total balance of \$0.00. It also includes links for managing recurring payments and updating paperless billing preferences. The main 'Usage, Rates & Savings' section features a 'Set your Bill Forecast Alert' button, a highlighted 'ENERGY USAGE DETAILS' button (with a red box), 'COMPARE BILLS', and 'HOME ENERGY CHECKUP'. On the right, the 'YOUR CURRENT RATE PLAN' section shows 'Tiered Rate Plan E-1' and a 'MANAGE YOUR RATE PLAN' button.
